## JERSEY

Welcome to the January 2018 edition of the Cogent Jersey Catalogue. With the introduction of NEW innovative technology from ST Genetics, we are able to offer Cogent Sexed Semen 4M, the most advanced sex-sorted semen available with twice as many female sperm cells than any straw on the market. Whether breeding for Type, Milk, Components or a combination of all three, we feel that we have something for everyone's needs, helping to make your business more profitable for generations to come.

**GENOMIC SIRE**

**INTRODUCING...**

## **The Most Advanced Sex-Sorted Semen...**

Conception rates approaching those achieved using conventional semen

Gender accuracy consistently above 90%

Twice as many female sperm cells per straw than any other straw on the market

Available on highest genetic sires

**WORLD'S LEADER IN SEXED SEMEN TECHNOLOGY**

As the pioneers of sexed bovine technology we continue to be the market leader in sexed semen. With almost 15 years experience we are constantly looking for new ways of doing things to improve on the way things are done.

**Don't settle for anything less,  
choose 4 million, choose 4M.**
