BLELACK LEICESTER

Aberdeen-Angus

Leicester displays an exceptional phenotype with fantastic performance figures. He ranks in the top 10% of the breed for Terminal and 15% for Self-replacing index and features in the top 20% for both Eye muscle area and retail beef yield. Leicester's pedigree is packed with some of the breeds top performing genetics. His Maternal Grand dam is the famous "Lockerley Laura D444" who has bred show winners and sale toppers up and down the country. We expect this bull to be a great producer of both male and female progeny.
