BLELACK LEICESTER

Aberdeen-Angus

Leicester displays an exceptional phenotype with fantastic performance figures. He ranks in the top 10% of the breed for Terminal and 15% for Self-replacing index and features in the top 20% for both Eye muscle area and retail beef yield. Leicester's pedigree is packed with some of the breeds top performing genetics. His Maternal Grand dam is the famous “Lockerley Laura D444” who has bred show winners and sale toppers up and down the country. We expect this bull to be a great producer of both male and female progeny.

Kent has always been a standout bull. Bred at the famous Bedgebury herd this bull's pedigree is packed with consistent genetics that produce show cattle which are able to perform in any system. Kent was produced from one of the great bulls from Belgium with one of the most successful cow families in the UK breed. This bull is transmitting muscle to all his progeny along with style, character, and outstanding correctness. He has already produced many show winning and high priced progeny across the UK.

AUCHENLAY NOTORIOUS

**British Blue**

Notorious is a great addition to our British Blue bull line up. His Sire “Sandyvale Jagerbomb” needs no introduction having been awarded the Supreme British Blue Champion at the Highland Show in 2018, and is consistently producing show winning progeny. Notorious models exceptional correctness that is complemented by outstanding width throughout. We expect this bull to produce progeny that display exceptional length and size.

CHAPELTON KINGSLEY

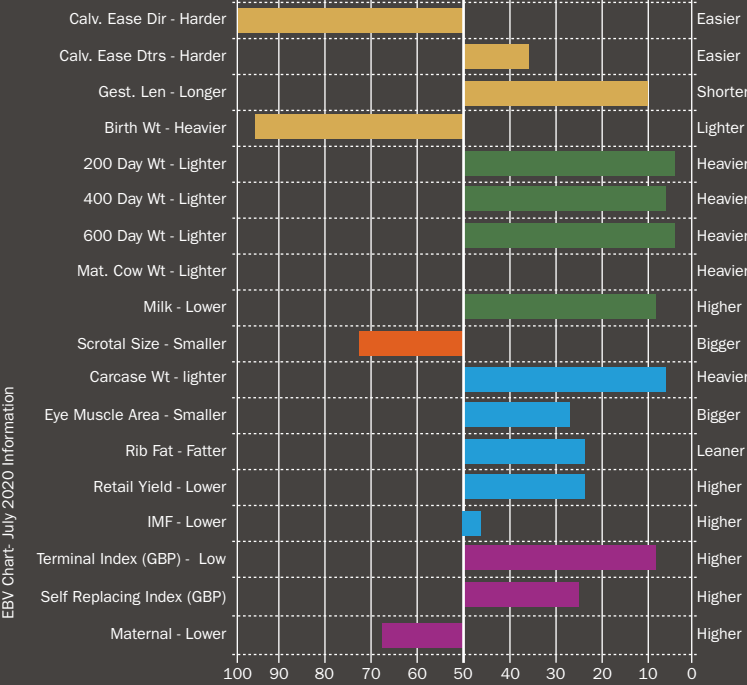

Kingsley Daughter. Maralin Princess Myrtle

Kingsley offers both phenotypic and statistical performance. His fantastic calving ease traits are backed up by a milk figure of +11 ranking him in the top 5% of the breed. Kingsley will be a suitable bull to breed replacements with and provide breeders with exceptional genetics.

From the famous Jackie family and sired by Fergus Of Upsall, Kingsley displays both his parents outstanding attributes of easy fleshing and natural muscle.

Hereford

Daffy is full of genetic potential. His pedigree is packed with well proven bloodlines to produce easy calving cattle that grow quickly and also yield well. He carries both Terminal and Self Replacing Indexes in the top 10% of the breed and Eye Muscle Area in the top 1% of the breed. Daffy is consistently producing small, easily born yet vigorous calves with short gestation that show exceptional, natural fleshing ability.

Netherhall 1 **MATTY** s098

SIRE: WIRRUNA MATTY M288    DAM: WIRRUNA VICTORIA G7    MGS: WIRRUNA DAFFY D1  
D.O.B: 15/05/2019    EAR TAG: UK103719 503098    AI CODE: H9277

NETHERHALL 1 MATTY S098

Hereford

Matty was selected for his outcross pedigree and easy calving credentials. This bull ranks in the top 5% of the breed for calving ease and top 20% for birth weight. This bull carries a full Australian pedigree. Sired by the extremely easy calving Wirruna Matty. His Dam is the famous “Wirruna Victoria G7” who is also the dam of the renowned AI sire “Wirruna Katnook” . With Terminal and Self Replacing indexes in the top 10% of the breed we expect this young bull to add calving ease without sacrificing any growth of muscle development.

Gerrygullinane **GLEN**

SIRE: MACHERMORE AUGUSTUS    DAM: DERRYGULLINANE DAISY    MGS: MAS DU CLO  
D.O.B: 18/12/2011    EAR TAG: IE272503020029    AI CODE: LN2434

GERRYGULLINANE GLEN

Limousin

Glen son Derrygullinane King Bull

Glen was a ‘must have’ acquisition, after having judged him to be overall Limousin champion, a feat repeated at many other shows. In the Irish North West Limousin herd competition, Glen was awarded the accolade of ‘Most promising young bull of 2012’. Glen exhibits extreme muscularity, impressive testicular development, a spring of rib, stands on four square, strong and correct legs and has a small, but masculine head. Glen has an exceptional chilled temperament.

TOMSCHOICE JET

Limousin

Jet's pedigree spells easy calving and easy fleshing traits. Both his sire, Kaprico Eravelle, and Jet himself feature in the top 1% of the Limousin breed for gestation length and calving value; and Kaprico Eravelle has proven himself to be very easy calving nationwide. Out of a strong dam line at Tomschoice Limousins, Jet is set to breed progeny of excellent quality, easily fleshed and born with short gestations.

Elite LACETTE

SIRE: AMPERTAINE FOREMAN DAM: ARDLEA GIG MGS: EMERSON  
D.O.B: 11/11/2016 EAR TAG: IE221062721390 AI CODE: LN2755

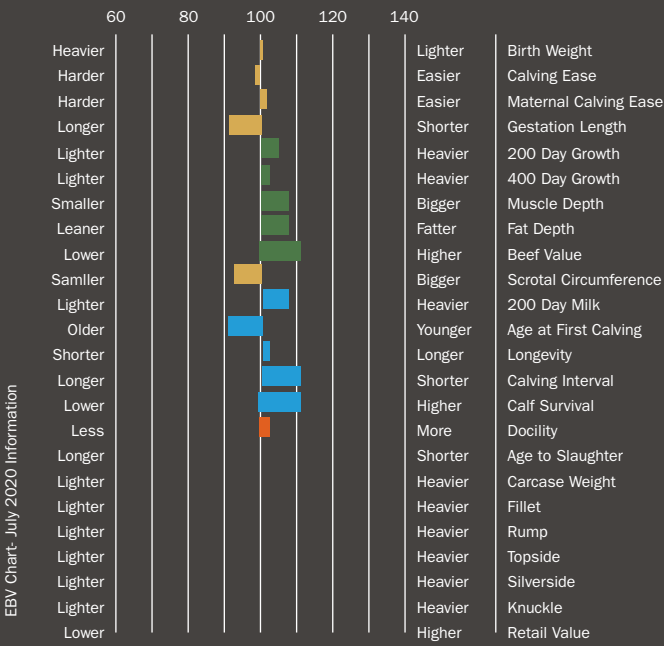

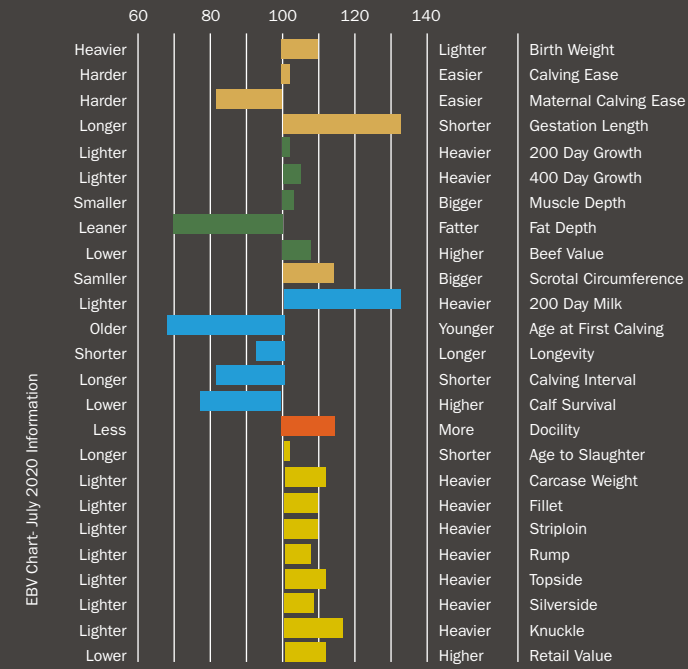

ELITE LACETTE

Limousin

Elite Lacette was purchased in Southern Ireland earlier this year. Lacette models all the attributes of a modern day Limousin with both five star maternal and terminal indexes. His dam is an exceptional cow that features in the flushing programme at Elite Limousins. His sire is the heavily proven bull Ampertaine Foreman who combines calving ease and muscle. Lacette has had both maternal and full siblings that have been champions at both area and national shows. We expect Lacette to produce easy born calves that display muscle and growth from an early age.

MANOR LANE KRYPTON

Salers

Krypton is a stand out bull with an outstanding pedigree. His dam, Coland Tansy, is a herd favourite and was named Cow of the Year in 2008 after numerous championship wins including Reserve Interbreed at the Great Yorkshire Show. Not only has she proven herself in the show ring but also through progeny, with a son achieving Junior Bull of the Year 2013 and a daughter born this year, being her ninth calf born that will be part of my show team in the future.

Krypton has a lot to offer when producing both pedigree and commercial replacements including genetics successful in the show ring.

POPES JASPER 18

Jasper combines breed leading genetics with some of the breeds proven greats featuring in his pedigree. His sire, Woodhall Ferrari has been one of the leading AI sires for us over the past three years. His Dam Clonguish Diamond ET was purchased by the Woods family for 10,000 Euros at the Irish Premier sale in 2013. Jasper carries an impressive set of EBV's with a Terminal and Self Replacing index in the top 1% of the breed. These figures are supported with 400 and 600 day performance figures in the top 1% of the breed and a top 5% Milk figure of +10 ranking him in the top 10% of the breed.
