

FRIESIAN

SPRING 2020 CATALOGUE

BE PROFITABLE. **BE COGENT**

Welcome to the January 2020 edition of the Cogent Friesian catalogue.

We offer a wide range of top quality genomic and proven sires, and an impressive selection of well bred young sires. At Cogent, we remain committed to building the strongest, most diverse portfolio of top quality genetics to suit any herd or farming system.

“We have used sexed semen for the last 2 years but have been particularly impressed with SexedULTRA 4M®, achieving conception rates of 58% on cows.”

Sam Howarth - Leasbeck Friesians, East Yorkshire.

SEXED SUCCESS FOR ORGANIC FRIESIAN HERD

This is the first time we've used SexedULTRA 4M[®] and it has done the job brilliantly. Heifers have been served once and have held straight away. Our Genetics Consultant Richard is great, and always keeps in touch! This year we are using Goonhilly JOSEPH and are looking forward to seeing his calves hit the ground!

SexedULTRA 4M[™]

"THIS IS THE FIRST TIME WE'VE USED SEXEDULTRA 4M AND IT HAS DONE THE JOB BRILLIANTLY."

ADAM BROOK (HERDSMAN)
