HIGH TYPE SPECIALISTS

www.cogentuk.com

That feeling you get, when your best animal, gives birth to a heifer calf...

SexedULTRA 4M™

-  Conception rates approaching those achieved using conventional semen
-  Twice as many female sperm cells per straw than any other straw on the market
-  Gender accuracy consistently above 90%
-  Available on highest genetic sires

High Type Specialists

On the farm, every point counts and we believe the same applies to your herd.

Breeding cows with superior conformation is proven to increase longevity, productivity and profitability and it is for this reason, that we are delighted to introduce our new, High Type Specialists. This exciting collection draws on the world famous bloodlines from North America that have delivered superior offspring time and time again.
