GERRYGULLINANE GLEN

Limousin

Glen son Derrygullinane King Bull

Glen was a 'must have' acquisition, after having judged him to be overall Limousin champion, a feat repeated at many other shows. In the Irish North West Limousin herd competition, Glen was awarded the accolade of 'Most promising young bull of 2012'. Glen exhibits extreme muscularity, impressive testicular development, a spring of rib, stands on four square, strong and correct legs and has a small, but masculine head. Glen has an exceptional chilled temperament.

GIVENDALE SPORTSMAN S191

Stabiliser

EBV Chart - July 2020 information

This Homozygous Polled bull displays exceptional muscling and easy fleshing ability. Sportsman is a very promising young red son of the proven Givendale Nemesis with the renowned Givendale Lorenzo as his maternal grand sire. His Calving Value is ideal for use on heifers. Adding to this, Sportsman is a great option for a carcass trait improver. Complementing all this Sportsman also ranks in the top 1% for Maternal Production Value making him an excellent all-rounder.

Boomer Birch, Beef Programme Manager

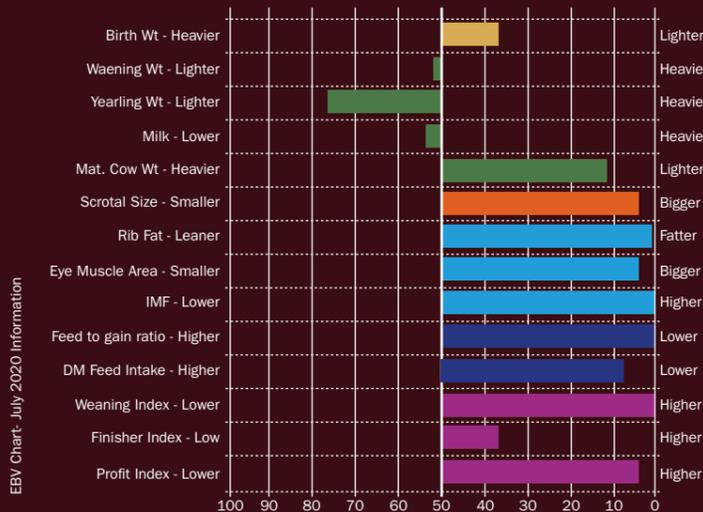

Givendale Black Resolution R239

Sire: Leachman Resolution Dam: XX132 MGS: Leachman Talisman
 Ear Tag: UK142911 303108 D.O.B: 18/03/2015 AI Code: ST0967

GIVENDALE BLACK RESOLUTION R239

Stabiliser

Resolution has terminal traits galore with Muscle Depth and Fat Depth EBV's both in the top 5% and 200 Day Growth in the top 25%. We expect Resolution to sire progeny that will excel and be efficient when it comes to carcass yield and quality. His positive Beef Value places him comfortably within the top 25% - an important figure for the profit driven beef producer.

Givendale Black Oswald

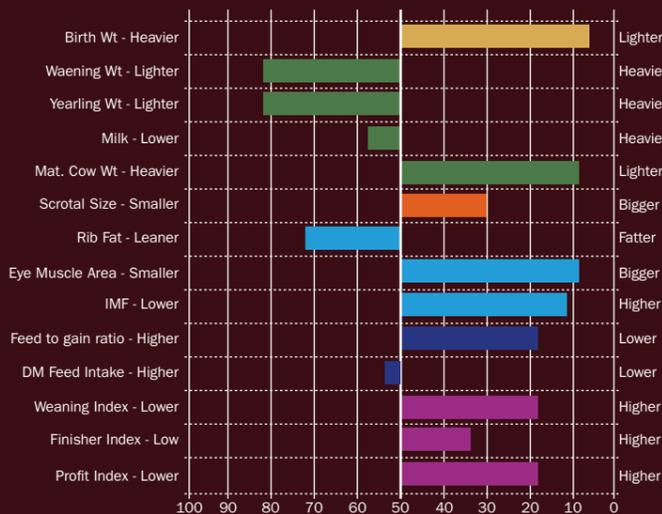

Sire: Leachman Porterhouse Dam: Hooks Kaitlyn MGS: Nichols Legacy
 Ear Tag: UK142911 402668 D.O.B: 21/03/2013 AI Code: ST0972

GIVENDALE BLACK OSWALD

Stabiliser

EBV Chart - July 2020 Information

Oswald has great growth and calving trait EBV's with maternal production value and muscle depth in the top 10% of the breed. He has outstanding potential and offers breeders the chance to introduce elite maternal black genetics to their herds. This bull has been providing ease of calving and the calves that display good conformation. Expect black calves which require minimal effort to thrive.

Boomer Birch, Beef Programme Manager

Crugeran Llewelyn

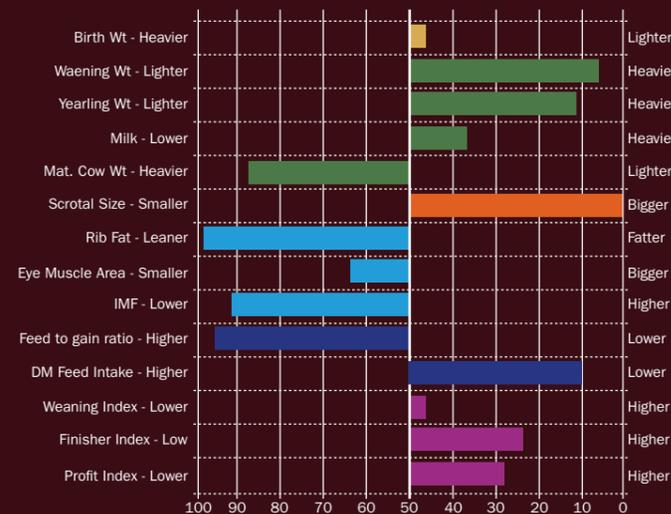

Sire: JRI Top Secret Dam: Hooks Pepe MGS: BFCK Cherokee Cnyn 4912
 Ear Tag: UK702625501761 D.O.B: 09/03/2010 AI Code: ST0975

CRUGERAN LLEWELYN

Stabiliser

EBV Chart - July 2020 Information

We specialise in suckler beef production, as a breeding finishing unit our main focus is that the cow has a low input high output ratio. Llewelyn has good all round figures focusing on maternal values with his progeny performing very well in Net Feed Efficiency trials. This will cut feeding costs and ultimately contribute in breeding an efficient cow.

Harri Parri - Crugeran Stabilisers

Manor Lane Krypton

Sire: Seawell Franko Dam: Coland Tansy MGS: Onley Crusader
 Ear Tag: UK147946300018 D.O.B: 13/01/2015 AI Code: SA0884

MANOR LANE KRYPTON

Salers

EBV Chart- July 2020 information

Krypton is a stand out bull with an outstanding pedigree. His dam, Coland Tansy, is a herd favourite and was named Cow of the Year in 2008 after numerous championship wins including Reserve Interbreed at the Great Yorkshire Show. Not only has she proven herself in the show ring but also through progeny, with a son achieving Junior Bull of the Year 2013 and a daughter born this year, being her ninth calf born that will be part of my show team in the future.

Krypton has a lot to offer when producing both pedigree and commercial replacements including genetics successful in the show ring.

Carolyn Fox, Manor Lane Salers

Bacardi Herbie

Sire: Cleuchhead Yoda Dam: Cleuchhead Delilah 2nd MGS: Cleuchhead Midnight
 Ear Tag: UK564298400080 D.O.B: 05/04/2012 AI Code: SA0904

BACARDI HERBIE

Salers

EBV Chart- July 2020 information

This exceptional Saler bull offers our producers both muscle and milk. Herbie displays exceptional width over his plates and a great strength through his top. His pedigree models muscle and milk on both sides. We expect this bull to enhance fleshing and carcass traits within his progeny but also to transmit exceptional milking ability to all his progeny. Not only will this bull breed exceptional progeny for finishing but also replacements for the suckler herd.

Boomer Birch, Beef Programme Manager

Ark Diego

Sire: Whistley Dollar Dam: Ark Verity MGS: Astonlodge Jet
 Ear Tag: UK110607100035 D.O.B: 20/12/2008 AI Code: BL1046

SON: HILLTOP HECTOR

His first son Hilltop Hector sold for £9000gns. Many other progeny have excelled, including British Blonde Royal Highland Show Champion, Donaldson Jupiter in 2016. Heifers carry great breed character and correctness with outstanding strength to their loins.

Boomer Birch, Beef Programme Manager

Mr Harukoe

Sire: World K's Haruki 2 Dam: CHR MGS Sanjirou 320
 Ear Tag: DE0360343401 AI Code: MS0057

Mr Harukoe models a very special pedigree. His sire is World K's Haruki 2, one of the original Japanese bulls who was exported from Japan to USA in 1993. This bull is recognised as a consistent producer of good carcass quality. His dam's side also offers some outstanding genetics. Mr Harukoe's maternal grand sire "Sanjirou" is known as one of the great marbling bulls. This bull will produce small born calves that show good conformation and marbling ability.
